Community Reminder - Garbage Collection Reminder

To help keep our community clean and safe, we kindly ask all residents to please store garbage in a secure bin or garbage can when putting garbage out on collection day. Due to an increase in animal disturbances, garbage bags left unattended are often torn open, creating litter and additional cleanup concerns.

PLEASE NOTE THAT COLLECTION CREWS WILL NOT PICK UP:

- Loose garbage
- Damaged or torn bags
- Overweight bags
- Items that are not placed in the designated collection area

Your cooperation helps ensure efficient waste collection and maintains the appearance and cleanliness of our community.

Thank you for your understanding and assistance.
